True Value Awards Bona US 2016 Supplier of the Year: Home Category

Aurora, Colo., April 4, 2016 – Bona US, the world leader in hardwood floor care and maintenance since 1919, announced that it has received Supplier of the Year in the Home category from True Value, one of the world's largest retailer-owned hardware cooperatives. Bona received the award this past February at the True Value Spring Reunion in Anaheim, CA.

“We look for supplier partners that offer outstanding support to our retailers and it was an honor to award Bona 2016 Supplier of the Year in the Home category,” said Jennifer Niehoff, Global Product Merchant, Home. “Innovative, customer-focused companies like Bona are key to the growth of the independent hardware retail industry.”

Bona was among 10 vendors that received the award in a variety of categories from paint to plumbing to electrical. The companies were recognized for their commitment to delivering the highest quality service and innovation to retailers and their customers. With a long, well-known history of innovation, Bona brought new products to the shelf at True Value in 2016 including the recently launched Bona Power*Plus* Hardwood Floor Deep Clean system.

“We have enjoyed a long relationship with True Value and it is a true honor to be named Supplier of the Year,” said Travis Stuckey, National Account Manager, Bona US. “True Value and Bona share a proud heritage of offering exceptional service, quality products and expertise. Bona is delighted to be part of the True Value supplier family.”
